ACTION DEPARTMENT 1275, INFORMATION POLAD CINCARIB PRIORITY 124,  
CNO, CINCLANTFLT, CINCLANT 3

ALUSNA has received operational immediate message from  
CNO number 092335Z with text of proposed personal message  
from Admiral Anderson to Argentine CNO Admiral Maloberti  
suggesting participation of Argentine Naval Air arm in  
combined Argentine force. Message indicated it has  
Department's concurrence.

I have no objection to participation by Argentine Naval  
P-2 Vs but have strong doubts that we should suggest  
addition of CVL INDEPENDENCIA. If this ship gets into  
the act it will be almost impossible to restrain Argentine  
army from sending its brigade, even though we may find no  
place or use for it. Furthermore jealous air force may  
push for more kudos.

In consequence I am deleting sentences which refer to  
possible participation of INDEPENDENCIA and am asking ALUSNA  
to transmit remaining text as given. I am also requesting  
ALUSNA to lay stress on need to confirm contribution of  
additional forces through diplomatic channel.
